SITUATION SUMMARY

Cal OES Activation Status

| State Operations Center | Inland Region EOC | Coastal Region EOC | Southern Region EOC |
|-------------------------|-------------------|--------------------|---------------------|
| Level 1 | Normal Operations | Normal Operations | Normal Operations |

Coronavirus Disease 2019 (COVID-19)

The Cal OES State Operations Center (SOC) activated 03/02/20 at 0700 hours in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

SMARTER Plan

On February 17th Governor Newsom unveiled the SMARTER Plan as a path forward and the next phase of California's pandemic response. The plan emphasizes continued readiness, awareness and flexibility and helps ensure California can maintain its focus on communities that continue to be disproportionately impacted and stay prepared to swiftly and effectively respond to emerging COVID-19 variants and changing conditions.

WEATHER KEY POINTS

02/25/22 - 03/03/22

Friday - Thursday

- One more round of temperatures near or below freezing is expected for much of the state Friday morning, with temperatures forecast to warm considerably through the weekend and much of next week
- Gusty offshore Santa Ana winds are expected across the southern California mountains, foothills, and coastline on Saturday, with gusts of 35 to 50 mph
- Mainly dry weather is expected for much of central and southern California through the weekend and much of next week, while some light precipitation is likely to impact northern California at times Sunday through Thursday. Some light snow is also possible over the northern Sierra by midweek.

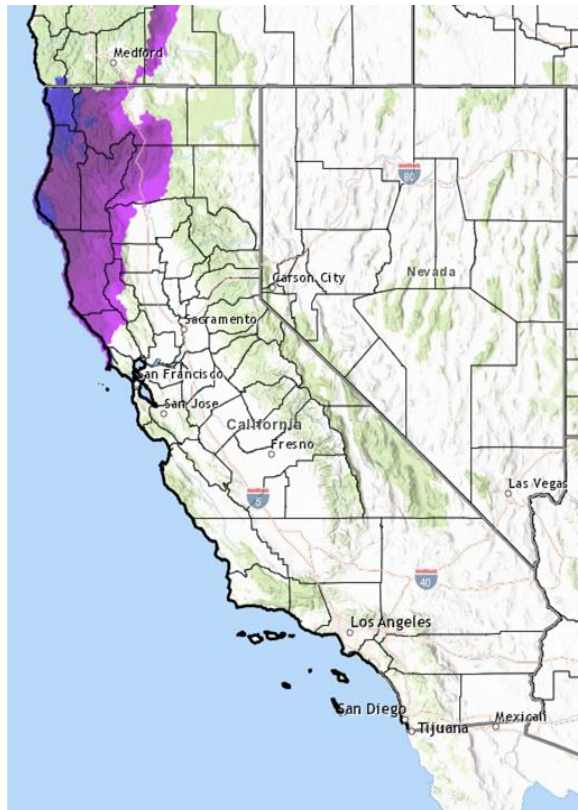

PRECIPITATION FORECAST

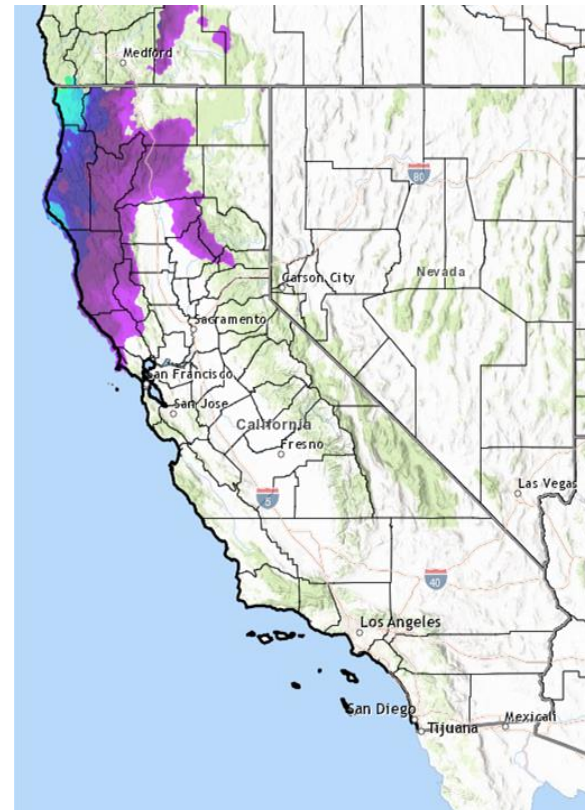

02/25/22 - 02/27/22

Friday

Saturday

Sunday

Note: Forecast precipitation amounts are an average for any particular location. Thunderstorms may produce locally higher rainfall amounts.

Precipitation (inches)

WEATHER OUTLOOK

03/02/22 - 03/10/22

6-10 Day Outlook (March 2 - March 5)

Temperatures

- Below normal temperatures are favored across northern California, with near normal readings favored for central parts of the state and above normal temperatures favored across far southern California

Precipitation

- Below normal precipitation is favored for much of the state, except for far northern California where near normal precipitation is favored

8-14 Day Outlook (March 4 – March 10)

Temperatures

- Below normal temperatures are favored statewide

Precipitation

- Below normal precipitation is also favored for much of the state, with the exception of areas closer to the Nevada/Arizona border where near normal precipitation is favored

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Enforcement Missions

- **2022-LAW- 76863, 02/23/22, 2232 hours:** The Air Force Rescue Coordination Center (AFRCC) reported a Personal Locator Beacon (PLB) activation within 500 feet of 37.474505° by -122.156662°, which plots to a residential area in Menlo Park CA. Repeated efforts to contact the registered owner or emergency contacts were unsuccessful. Menlo Park Police were dispatched and contacted the resident at the GPS location provided. That resident did not have any knowledge of the PLB device and did not have an emergency. The police officer checked the general area, but no additional information was obtained. AFRCC did not receive any additional activations from the device. **MISSION CLOSED.**
- **2022-LAW- 76428, 02/23/22, 1200 hours:** Contra Costa County re-opened Mission on behalf of Oakley PD. Request for 2 SHRD K9s for continued search in Amador County. Amador County SO advised and on scene. Mission accepted by WOOF and Santa Clara County SO for 02/24/22 at 0930 hours. **MISSION ONGOING.**

Cal OES MISSION TASKINGS

Cal OES Missions
